Attachment A

I, Jason Walk, am a Task Force Officer with the Federal Bureau of Investigation. I have knowledge of the following facts based upon my investigation, review of reports and discussions with other law enforcement personnel and others. All statements herein are set forth in substance and in part:

1. According to a individual cooperating with law enforcement ("CW1"), defendant LAMAR HUNT, a/k/a "Mafia," is a leader (or "Original Gangster") of a criminal street gang known as the "Crips."

2. On or about May 10, 2006, CW1 called LAMAR HUNT, a/k/a "Mafia" and asked about purchasing "pills" (which based on my training and experience is slang for 3, 4-Methylenedioxymethamphetamine (MDMA), or "ecstasy," a Schedule I controlled substance.) In response, defendant HUNT told CW1 that he would sell him 80 pills for \$540. HUNT then told CW1 to meet him at a location in Irvington, New Jersey, to complete the ecstasy purchase.

3. CW1 drove to the pre-arranged location in Irvington, New Jersey, where he met LAMAR HUNT, a/k/a "Mafia". CW1 then followed HUNT to another location, in Newark, New Jersey. CW1 then gave HUNT \$540 in United States Currency. HUNT then gave CW1 approximately 80 pills. This transaction was observed by law enforcement and consensually audio-recorded.

4. The pills field-tested positive for the presence of 3, 4-Methylenedioxymethamphetamine (MDMA).
